Mr. Armato:

Due to a problem replying to your email address as provided through Greenpeace (see attached), this is to acknowledge receipt of your email to the Public Service Commission of South Carolina. The email is being forwarded to our Clerk's Office for processing at this time; it will become a part of Docket No. 2013-59-E and will be posted on our website (www.psc.sc.gov) under this docket.

If you require any further information, please feel free to contact us at PSC_Contact@psc.sc.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jo M. Wheat". The signature is fluid and cursive.

Jo M. Wheat

Subject: I oppose Duke's latest rate hike for dirty energy

Apr 22, 2013

South Carolina Public Service Commission

Dear Public Service Commission,

Duke should quit investing in dirty, old energy like coal and nuclear, and actually invest in the cheaper renewable technologies its executives claim to support. I want the Carolinas to be more energy efficient and powered by local wind & solar that will employ thousands of Carolinians.

Sincerely,

Frank Armato
